Dear Patron,

I am delighted to present you with the 2011 Patron DVD Library Catalog, featuring over 900 DVDs of your favorite public television programs. This year we have updated our collection and transferred our most sought-after programs from VHS to DVD. We are continually refreshing our catalog with great programming, including NATURE, our critically-acclaimed series, now in its 30th season; classic films from REEL 13; and complete series like *Prime Suspect* with Helen Mirren.

**To borrow DVDs from the Library, simply call or email our volunteer manager, Doris B. Hirsch, at 212.560.4983 or [patronlibrary@wnet.org](mailto:patronlibrary@wnet.org).** Doris will then promptly send your requested DVDs. You may borrow as many as four discs at a time for up to two weeks. And, to simplify returns, we also include a postage-paid return envelope.

Providing our Patrons with exclusive access to copies of THIRTEEN and WLIW21 programs is just one of the ways we express our appreciation for your incredible generosity. For more information on Patron benefits, please call our dedicated Patron line at 212.560.2828. Thank you so much for your continued commitment to public television.

Sincerely,

Tyson D. Ford  
Associate Director of Patron Programs
